

Equally Anglican Principles

WITH GOD'S HELP, WE WILL BE:

- Unapologetically, openly, and proudly Anglican
- An inclusive LGBTQ+ Affirming Ministry
- A community that pushes the envelope by actively and courageously dismantling the myths and lies of our culture.
- A community that does not pry or gossip
- A creative community.
- A community that celebrates authenticity and is genuinely interested in anyone who walks through our doors.
- A community that treasures high-quality worship, but does not have time to 'sweat the small stuff.'
- A community that firmly believes that there is room at the table for every single one of God's children.
- A community of repentance and reconciliation.
- A community that tries new things, and tries again when we fail.
- A community that cultivates gratitude.
- A community that values relationships and is committed to walking together.
- A community of Disciples who strive to model our lives after Christ.
